Iris Mccarthy : Food Lovers' Guide to Philadelphia: The Best Restaurants, Markets Local Culinary Offerings (Food Lovers' Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Food Lovers' Guide to Philadelphia: The Best Restaurants, Markets Local Culinary Offerings (Food Lovers' Series):

0 of 0 people found the following review helpful. Good starting point, needs update and better Kindle formattingBy DDRBought this for some guidance for a night out with the girls. We're all native Philadelphians, but we're all in the 'burbs these days so I wanted something that would give us the down low on Philadelphia's restaurant scene. There was information about a lot of eateries I was unfamiliar with, and will definitely have to give a try, sometime. Unfortunately, it has not been updated since 2012, and I found some of the recommended restaurants now closed. An even bigger draw back was the kindle formatting, because page numbers were referenced, but not displayed. I ended up doing searches, which turned out to be frustrating. One restaurant listed as being on page such and such could not be located with the search feature. But other than that, this book is a good starting point for anyone interested in

exploring Philadelphia's rich culinary scene. Augment with trips to the author's blog and facebook page. She's got some recipes I can't wait to try!

By Amber
This is one fantastic guide to the yummy treasures tucked and not so tucked away in Philadelphia! Iris McCarthy's unpretentious delivery makes this an easy and fun read. The breakdown of the areas where the various restaurants are located while also listing them by the type and style, offers foodies simplicity in seeking out a new favorite (or several). This guide is no regular boring list of restaurants and what they serve; rather it provides historical background info in the city, where to find locations for culinary classes and food tours as well as where to find food festivals and events by season! My personal favorite element is a hilarious listing of How to "Speak Philly" - as a former Delawarean, I already know how to speak this one-of-a-kind language and reading this small portion brought back some great memories. There are many guides out there but this one made me want to read it all, not just skim and tuck it away someplace. McCarthy's wit and whimsy are contagious as she is able to present a wealth of information about the culinary offerings of Philadelphia, from all price ranges and all styles of restaurants (including kid friendly!), while making one giggle or at the very least crack many smiles along the way.

Food Lovers' Guides Indispensable handbooks to local gastronomic delights
The ultimate guides to the food scene in their respective states or regions, these books provide the inside scoop on the best places to find, enjoy, and celebrate local culinary offerings. Engagingly written by local authorities, they are a one-stop for residents and visitors alike to find producers and purveyors of tasty local specialties, as well as a rich array of other, indispensable food-related information including:
Food festivals and culinary events
Farmers markets and farm stands
Specialty food shops
Places to pick your own produce
One-of-a-kind restaurants and landmark eateries
Recipes using local ingredients and traditions
The best wineries and brewpubs
