Bonnie Walker, John Griffin : Food Lovers' Guide to San Antonio: The Best Restaurants, Markets Local Culinary Offerings (Food Lovers' Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Food Lovers' Guide to San Antonio: The Best Restaurants, Markets Local Culinary Offerings (Food Lovers' Series):

0 of 0 people found the following review helpful. Excellent guideBy Chester MorrisonI was much impressed by this guide, beginning with the table of contents which breaks the city down into cardinal direction sections and then provides the author's favorite food establishments and dishes as well as landmarks, culinary schools and specialty shops. There is a separate section on Wine, Beer and Spirits, a thirty page recipe section, two appendices which break down establishments by cuisine and specialty dishes and a thirteen page index that covers most of the establishments and miscellaneous items.The text is very lively and has a real "been there" feel. Glad I got this one.1 of 1 people found the following review helpful. A must for San Antonio visitors and foodiesBy CustomerThis guide is a terrific resource

for visitors and residents alike. San Antonio is divided into regions. Each starts with a bit of history or description and includes restaurants and price information, specialty stores and markets. The book, which is a perfect size to keep in the car or at your desk, is peppered with charming asides about such things as chiles, chicken fried everything, and Texas barbecue. The guide concludes with easy-to-follow recipes and useful appendices, including eateries by cuisine. 2 of 2 people found the following review helpful. Just what I had been looking for! By SAlovers Ever since I first moved to San Antonio I had been looking for a book just like this. I'm not putting it down, whenever we go out I bring it along and no matter where we land we can in a few pages find the perfect eatery in the area. Plus the style is warm and friendly much as having a trusted friend give you a tour of the hidden Saytown. Love it...

Food Lovers' Guides Indispensable handbooks to local gastronomic delights The ultimate guides to the food scene in their respective states or regions, these books provide the inside scoop on the best places to find, enjoy, and celebrate local culinary offerings.
