Bill Tobin : Food to Write Home About...Hawaii before purchasing it in order to gage whether or not it would be worth my time, and all praised Food to Write Home About...Hawaii:

2 of 2 people found the following review helpful. Falling in Love with Hawaii food again and again with this book!By ValentineThis is a very refreshing look at the current food trends happening across Hawaii. We go to Maui and Oahu every year and noticed things have been changing in the restaurant scene recently. But without help it's so hard to

know where to go! We bought this book on a recommendation from a friend in the restaurant industry there, and it rocks! It reads like a memoir, you can really get a feel for this guy from the mainland falling in love with Hawaii food. There are chefs we def knew in the book, and many we didn't. We even went to their restaurants and had amazing meals! Now we need to tackle the recipes at home! A must buy if you've been wowed by Hawaii food. 2 of 2 people found the following review helpful. Mahalo Bill and Brian! By Laura Mittlestadt Some of the greatest recipes for any food lover to try in their own home. The photographs are beautiful and the letters to mom are a wonderful heartfelt touch. 2 of 2 people found the following review helpful. A great read with beautiful photography By Customer A great read with beautiful photography. If you're into food, family, travel get this and let it transport you to Hawaii and beyond. A perfect gift for mom and more for the holiday season.

Hawaii restaurateur Bill Tobin tells the story of his love affair with Hawaiian cuisine and all the nuances associated with Hawaiian fare. He does so through a series of affectionate letters to his mother, in their Midwest USA farm town. Through these highly personal letters, Tobin and author Brian Berusch explore every ingredient, dish and the chefs behind them which about-faced Tobin's vocation into a career "Foodist" on the islands, including a stint as the president of the Hawaii Restaurant Association. Through each chapter we see the evolution of Tobin's palate, right through to the meeting of his wife and the start of his own family, whom are still highly immersed in the food arts there.

About the Author Bill Tobin grew up in a small farming community in Nebraska. After a stint in the U.S. Army prior he moved to Hawaii to attain a Business Administration degree. After founding his own restaurant company, he went on to be the Managing Partner and CEO of Tikis Grill and Bar LLC as well as chairman of the Hawaii Restaurant Association and technical advisor to *Running a Bar for Dummies* published by Wiley and Sons, Inc. He lives on Honolulu. Brian Berusch has directed and edited various national lifestyle magazines, as well as written articles for more than two dozen titles, including *Town Country*, *Saveur*, *Wine Enthusiast* and *Departures*. He has appeared on *The Today Show* as a travel and food expert. Berusch's first book was a private memoir for Aniello Lauro, celebrated hotelier of the famed *Splendid Royale* in Lugano, Switzerland. He lives on Honolulu.
