Howard S. Crosby, Wendy W. Lull, Richard T. MacIntyre : Footprints in Time: A walk where New Hampshire began before purchasing it in order to gauge whether or not it would be worth my time, and all praised Footprints in Time: A walk where New Hampshire began:

The landscape of Odiorne Point has seen centuries of change from the courageous footsteps of the first settlers at Pennaway to the firing of guns at Fort Dearborn. Behind the breathtaking beauty of the area lie secrets of natural and cultural history hidden deep in the sands of time. Available for the first time in book form, Footprints in Time is based

on a walking tour popular at Odiorne Point State Park since 1988. Whether you are relaxing at home or rambling along the Parks winding trails, this oceanside walking guide will lead you through the fascinating stories of the Birthplace of New Hampshire.

About the Author Combining an easy-to-follow walking tour with a treasure trove of historical information and over 75 photographs and illustrations, this handbook of maritime heritage will prove delightful to young and old alike.
