Richard French : Four Days From Fort Wingate before purchasing it in order to gage whether or not it would be worth my time, and all praised Four Days From Fort Wingate:

1 of 1 people found the following review helpful. TIME FREAME LOOK OFF TO MEBy pipeweld60I think the travel time frame is a way off you cant travel very far in wagon with team in one day loaded with no roads from Springervillie to next water I look on google map I seen no stream where they could camp now this is augest and dry

let look at 4 days from ft wingate get on google an look for a rout only one I can find is from gallup hy 602 I look from the fort too steep for freight wagon loaded there other things not right .. DONT GET ME WRONG I LIKE THIS BOOK the author is going by other people info I think there off1 of 1 people found the following review helpful. Four Days From Fort WingateBy HaxieWell-researched and well-written overview of various attempts to locate a lost gold mine, specifically the one referred to in "The First Hundred Years of Nino Cochise." Gives a good sense of what life was like back then for the frontiersmen and miners, as well as for today's gold hunters and mystery buffs.0 of 0 people found the following review helpful. Four StarsBy CustomerVery good book.

Here is the fascinating story behind the legend of the Lost Adams diggings in New Mexico. The legend generated hundreds of newspaper and magazine articles, followed by books, and gave rise to motion pictures, including the western classic MacKenna s Gold.

"The book is one of the most comprehensive, detailed histories of The Lost Adams Diggings, that I believe has ever been written." Gene Ballinger, The Courier
