Don Weibert : Four Days with Custer before purchasing it in order to gage whether or not it would be worth my time, and all praised Four Days with Custer:

0 of 0 people found the following review helpful. interesting look at Custers final four days on the trailBy L. MartinThis is an insightful view of what the four previous days to the battle of the little bighorn were like for Custers 7th cavalry regiment. These guys rode and camped in the same places as Custers men. They describe the scenery and terrain that they pass on their trip. If you are interested in Custer and the land he traveled through, then I think you'll enjoy this historic ride re- enacted.
