Karsta Neuhaus, Margret Haltern : France (Cassell Business Companions) before purchasing it in order to gage whether or not it would be worth my time, and all praised France (Cassell Business Companions):

Part of a series of practical guides for business travellers, combining language reference with a directory of contact addresses and facts and statistics, this volume focuses on France. The language section includes specialist words and phrases aranged by topic: eg advertising, conferences, complaints, insurance and accounting, as well as general vocabulary for everyday situations. Featured are over 150 addresses providing the contacts needed when preparing your trip, as well as hands-on references in France. There is advice on French business etiquette and customs and a number of sample letters for different business needs. It also includes a compendium of facts and statistics on the Single European Market.

Language NotesText: English, French
