Steve Gladstone : Freedom Trail Boston - Ultimate Tour History Guide - Tips, Secrets, Tricks before purchasing it in order to gage whether or not it would be worth my time, and all praised Freedom Trail Boston - Ultimate Tour History Guide - Tips, Secrets, Tricks:

6 of 6 people found the following review helpful. Well Done!By Jeanie NI will be visiting Boston for the first time. I researched a number of guides and maps etc. and the Freedom Trail Boston by Steve Gladstone is the most thorough

of all of them. I chose the Kindle version because it was convenient and very affordable. It is loaded with extra information and tips on things to do and see, where to eat, getting around Boston, and also some excellent budget suggestions. He also gives you links to his online resources which include an app for your phone and downloadable maps. There is a section describing some of the different walking tours available, both free and paid tours. It even includes sample itineraries with alternatives for 1/2 day and full day self-guided visits. The Kindle version can link you to an optional pre-translated version via Google-translate for a number of different languages. There is also a print version available, and he even includes a discount link for that. This guide is incredibly well done and brings history to life.³ of 3 people found the following review helpful. Excellent book and APP By Peter J. Riley I have done the Freedom Trail many times over the last 40 years but went back to visit with my 11 year old. Found this book and accompanying smartphone APP extremely helpful, we read all the historical write-ups. The content was short enough to read at every stop but still very informative. With this book and APP there was no need to be on a formal tour.⁴ of 4 people found the following review helpful. This book is a great read before/after the tour By Andrea Kay O'Loughlin Well-written and superb for all the background information it provides. However, a bit of advice: the Freedom Trail runs through busy Boston streets, so following the marked path is nearly impossible. Buy this book because it's excellent--but then do as I did: pay \$15 to hire a live tour guide who will guide you through and share some mighty interesting stories about each stop on the Trail. This book is a great read before/after the tour.

5.0 out of 5 stars Indispensable! July 14, 2012 By Phylis F. Johnson I spent seven years living in Boston and barely knew all of this richness was to be found. Don't make my mistake. Make sure you have it on hand..
