Denise D. Price : Freedom Trail Pop Up Book of Boston before purchasing it in order to gage whether or not it would be worth my time, and all praised Freedom Trail Pop Up Book of Boston:

10 of 10 people found the following review helpful. Love!!By Amanda WestlakeWe are preparing for a trip to Boston in a couple weeks and this book has really sparked the interest in these beautiful buildings with my 5 year old. The attention to detail is unbelievable. And surprisingly sturdy as it has fallen off the table a couple of times :)3 of 3 people found the following review helpful. Lively, interesting pop-up book. Good for all ages~By Auburn S.Delightful images in 3d. Excellent paper and color quality. Drawings are accurate, filled with detail. Also, informative historical tidbits throughout. Highly recommended for any age. Wonderful souvenir present from a Boston holiday.1 of 1 people found the following review helpful. Five StarsBy BernieGave this lovely pop-up book to my sister - she absolutely loves every single illustration of Boston!

Award-winning book! Boston's iconic Freedom Trail has long been the best way to discover the city's integral role in the dawn of American independence. Now there is an extraordinary pop up book to commemorate the 2.5 mile walking tour through the birth of the nation.

"This is exactly the type of book I would buy after vacationing in Boston. It combines the rich history of the time with intricate pop up buildings. This book explains why each building is important in history along with the pop ups. The information and pop ups hiding behind text or illustrations makes every page a delight." - Benjamin Franklin Award for Young Reader: Non-Fiction "Who doesn't love a pop-up book? Author and artist Denise D. Price must, because she's created a captivating tour of Boston's Freedom Trail that will be treasured by child and adult alike. From the Massachusetts State House to the Old North Church, famous Revolutionary landmarks and monuments rise from the pages, surrounded by the type of secret pockets and envelopes one expects in the finest of pop-up books. It is an interactive work that is ideal for families who would like to learn more about Boston history or relive a trip they took there. It's a walk through history. It's great fun, and it's also a work of art. Bravo." - US Book , Eric Hoffer Award "The Freedom Trail Pop Up Book of Boston will provide hours of enjoyment to anyone interested in early American history. Author Denise D. Price, a brilliant self-taught paper engineer has created this incredible three-dimensional paper tour of 16 of Boston's most historical sites." - Gelett Burgess Award From the Inside Flap Freedom Trail Pop Up Book of Boston by Denise Price
