There are chapters about the French Circus, the town of Aix-En-Provence, and many others. Beautifully written, and it gave me great ideas for decorating my home. 0 of 0 people found the following review helpful. Four Stars By Pauline Vukelic Biafra as gift for my sister prior to travelling to France next year 0 of 0 people found the following review helpful. Beautiful! By Daun Cioban This book arrived on time and as described. It's beautiful - with gorgeous pictures of the mas the author has lovingly restored but beautiful shots of some of my favorite places in Provence.

French Essence is a celebration of life in Provence, one of the most charming regions of France. Vicki Archer reveals the underpinnings of that famous French ambience and sense of style, and offers inspiration to all of us who want to understand the beauty, experience the lifestyle and emulate the interiors of this exquisite part of the world. Ten years ago, Vicki Archer bought and restored a seventeenth-century property in Saint-Remy-de-Provence, and told the story in her book *My French Life*. Now, in collaboration again with celebrated photographer Carla Coulson, she shares with us her love for Provence.

About the Author Vicki Archer is the author of *My French Life* and *French Essence*. Born in Australia, she developed a passion for travel and now divides her time between London and Saint Rmy de Provence.
