**John Churchill Chase : Frenchmen Desire Good Children And Other Streets Of New Orleans** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frenchmen Desire Good Children And Other Streets Of New Orleans:

0 of 0 people found the following review helpful. narrative would have been nice. It might be a well written bookBy jacksnarrative would have been nice. It might be a well written book, but I feel if it had someone saying these names correctly. then I might too.0 of 0 people found the following review helpful. History with a sense of humorBy Gordon CuculluBest info on New Orleans around. Very comprehensive and entertaining.2 of 2 people found the following review helpful. An entertaining history of New Orleans' streetsBy theremnantOriginally written in 1949, John Chase provides an entertaining and thorough history of how the streets of New Orleans got their names. I would recommend this as a companion to similar books for those interested in New Orleans' history and learning how its streets were named.

Behind picturesque street names like Frenchmen, Desire, and Good Children lies the fascinating folklore of New Orleans. And there exists no better guide to the local history of this famous city than John Chase. A longtime resident of New Orleans and a man obviously in love with his hometown, Chase brings wit and wisdom to his up-to-date account of the people, the places, and the quaint buildings of this exotic Creole city.
