**British Auto Association, Kathy Arnold, Paul Wade : Frommer's 23 Great Drives in New England (Best Loved Driving Tours)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's 23 Great Drives in New England (Best Loved Driving Tours):

19 of 19 people found the following review helpful. Great gift for adventurous people who have everythingBy Carissa

Brooks Bought this for my father who has all of the hiking, biking, skiing, snowshoeing books for the entire US. Got him this and he absolutely loved it. One thing to note though- this is not necessarily for back country drives. It covers mostly cities and things to see while driving through the cities. Something to keep in mind if you're looking for a cruising drive book. 3 of 3 people found the following review helpful. Really wonderful book to take a trip to New England By K We used this book for our autumn New England trip. I really recommend this book. Really, really helpful with great suggestions. We used it in conjunction with The Colors of Fall Road Trip. I would not go to New England without both of them. We will use these books many times in the future. It would be hard to choose between them. Maybe if I had to choose I would choose this one but I recommend both. 0 of 0 people found the following review helpful. Road trip By Robert K. Cocking Great book, I plan on using it for a road trip sometime in the next two years.

23 practical driving tours with full color photos and maps for the independent traveler divided into 6 states each with its own city and driving tours easy to use map at the beginning of each tour highlights to special events, crafts and customs as well as distance and driving times special tips for scenic routes, traveling with children, history buffs, and recommended walks
