**Karl Samson, Jane Aukshunas : Frommer's 96 Arizona (Serial)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's 96 Arizona (Serial):

Covering the Grand Canyon, dude ranches, desert resorts, golf, scenic drives, shopping for regional crafts, and outdoor adventures, Frommer's details the best of the Southwest. Travelers will rely on the free full-color, fold-out map, too!
