Arthur Frommer : Frommer's 99 Arizona (Serial) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frommer's 99 Arizona (Serial):

Now with expanded coverage of the Grand Canyon and more maps than ever before, Frommer's Arizona '99 is packed with coverage of outdoor adventures, dude ranches, family camping, and the sophisticated dining scene in Phoenix and Tucson. Arizona is one of the worlds top golf destinations, and we cover the best golf resorts and courses in detail.
