for pennies but feel the info is still relevant. We are going to be in several ports for a day or less. Frommer's gives us just what we need to know to make the most of those brief visits. The coverage was broad and deep, with excellent maps, directions, addresses, websites, phone numbers, and useful descriptions helping everyone in our party prioritize, plan, to make the most of our limited time in all our ports of call plus more. 10 of 10 people found the following review helpful.
