Frommer's : Frommer's America on Wheels Northwest Great Plains 1997 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frommer's America on Wheels Northwest Great Plains 1997:

1 of 1 people found the following review helpful. Too many, too littleBy mpoland@oregontrail.netThis is a very disappointing book. It tries to cover a very broad and very disconnected area of the United States. There are nine states crammed into its pages and each state hardly gets any coverage. A lot of great attractions, restaurants and lodgings are missed as this book tries to cover from Oregon to Iowa! In order to be a helpful travel guide, it should be split into a least two volumes. As it is right now, it is not worth the money.

Includes Idaho, Iowa, Montana, Oregon, Nebraska, North Dakota, South Dakota, Washington, and Wyoming.
