Karl Samson, Jane Aukshunas : Frommer's Arizona '98 before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Arizona '98:

Now with expanded coverage of the Grand Canyon and more maps than ever before, Frommers Arizona 98 will enjoy an earlier pub month this year to fully catch the winter getaway season. Tourism to the state continues to surge the number of visitors has increased by 41% since 1984, and last year alone saw another 4% increase. Arizona is one of the worlds top golf destinations, and we cover the best golf resorts and courses in detail, plus outdoor adventures, dude ranches, family camping, and the sophisticated dining scene in Phoenix and Tucson.
