4 of 5 people found the following review helpful. Not up to dateBy A CustomerAlthough this was a pretty good book, I wish I had paid attention to the publishing date (1997). Some of the information is not as accurate now as it was 4 years ago. For example, some of the vendors mentioned in San Juan, Puerto Rico (from where I returned just yesterday) are no longer there. This books needs an updated edition!4 of 4 people found the following review helpful. Very accurate and full of usefull information!By floresjr@hotmail.comThis book is guided towards the cruise passanges but also provides information for those staying on the islands. You can plan ahead with this book. I found great information and plenty of down to earth reading. Don't forget to take this book along during your stay in the Caribbean!
