**Marie Morris : Frommer's Boston 2006 (Frommer's Complete Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Boston 2006 (Frommer's Complete Guides):

sight-seeing and especially transportation. When I went back this past weekend, I brought it with me again. In two trips, I feel like I know the city pretty well. Highly recommend it. It doesn't get a 5 only because I disagree with some of the ratings of restaurants and because I found some places on my own that were not listed in the book. No biggie. I mean, the author couldn't possibly cover every single place in Boston worth seeing. 0 of 0 people found the following review helpful.
