helpful. FantasticBy Carol L. RomanWe used this on our recent trip to Boston and it was a life saver. Really read it through and take the advice, you will not be sorry.We used many of the restaurants listed in here and we were not disappointed with any of them. We followed the instructions and found some great things that we might have missed otherwise.0 of 0 people found the following review helpful. travelerBy prepschoolThis was the perfect guide for Boston.
