resource when I am visiting Cape Cod. I have purchased other books similar, but always return to the latest Frommer's version. This is indeed, user friendly, accurate and provides the 'off the beaten path' type of things to do that one might easily miss. I would highly recommend this book over others. It's very user friendly and full of interesting tidbits. 0 of 1 people found the following review helpful. A huge help By Jersey Girl Much had changed from the last one I purchased 10 years ago. The biggest help was finding Google's text #. I use it all the time!
