Robin Andersen : Frommer's Caribbean Ports of Call (Frommer's Cruises) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Caribbean Ports of Call (Frommer's Cruises):

23 of 23 people found the following review helpful. Travel Guide JunkieBy J. BryantI purchased both the Frommer's and Fodor's guide to the Caribbean Ports of Call. I did so after already booking my cruiuse to the region. I already knew my departure port and my ports of call. This book would have been more helpful in the earlier planning stages, before

booking a cruise. It does a really good job of talking about the different cruise lines, the departure ports and the ports of call. Since I already knew this information, it only took me 45 minutes to read all the information about my destinations. Though, in general, I prefer Fodor's guides, this guide did contain information on the best excursions offered by the cruise companies where the Fodor guide did not. 4 of 4 people found the following review helpful. Competent basic guide for newbies to cruise ships By P. Bullock A well written, easy to use guide for those on their first or second cruise through Paradise - the myriad islands of the Caribbean. Only real area for improvement would be a paragraph or two added to each port with information on "alternative" local excursions - like hiring your own taxi on St Martin to go to the beach - less than half the prices charged by the Cruise line, and simple and safe to do. 5 of 5 people found the following review helpful. Everything I needed to know By Donna BI read this and reread sections as needed- it gave me helpful information about cruising, and helped me pick "authentic" shore excursions and items to buy that we're actually indigenous to the islands I visited- much more than the traditional pier shop alcohol, jewelry and perfume. Highly recommended.

Completely updated every other year, Frommer's Caribbean Ports of Call takes a fresh look at the most classic cruise destination. Our author, who has lived in Bonaire and Belize, and, hits all the highlights, from Cape Canaveral to Martinique. She's experienced all of the cruise lines in person, and offers authoritative, candid reviews that will help you find the line and the itinerary that suit your tastes and budget. You'll also get up-to-the-minute coverage of shopping and nightlife in ports of embarkation as well as ports of call and in-depth coverage of local dining and excursions in various Caribbean destinations. Frommer's Caribbean Ports of Call offers advice on planning a successful cruise, and gives you the tools you need to experience the best of each destination you'll visit.
