Fran Golden, Gene Sloan : Frommer's EasyGuide to Alaskan Cruises and Ports of Call 2014 (Easy Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's EasyGuide to Alaskan Cruises and Ports of Call 2014 (Easy Guides):

31 of 31 people found the following review helpful. limited POC infoBy Lou BarbacciaToo much of the book was

devoted to the cruise ships rather than the ports of call and their excursions. It's okay as an introduction if you haven't decided on a cruise to Alaska. However if you are already booked on a cruise you would do much better to get a complete Alaska guidebook and cross reference the ports of call to find out what activities are available on shore. I found many choices in the Lonely Planet Alaska guidebook. 18 of 18 people found the following review helpful. Finally, Realistic Reviewing! By Babaloo Not your typical language used by "reviewers" and not your typical review! Plain talk, easy to understand and with attention paid to the issues that really matter to me on a cruise. This book was fearless in calling something as it appeared to the reviewer even if it was not complementary. SO many "guides" appear written by the entity being "reviewed" and appear more as advertisements, than reviews. Descriptions of the towns and what to do in the towns included not only a list of activities and attractions, it also provided information regarding whether a sight seer could do this on their own and whether they may--or may not--wants to wander off the beaten path. 8 of 8 people found the following review helpful. Great help! By Sherry Thompson Had already booked our cruise but it was good to know we had made a good choice. It had just the kind of info that I was wondering about. Wished I had ordered it sooner, but it is still very helpful. That and Alaska for Dummies have so much info in them. Just order before you start making reservations and six months before your trip you should be making reservations for accommodations to insure that you get what you want. Same for airlines. I'm having to settle and I'm sorry I didn't act sooner.

Selling for a lower price than any similar guidebook, and deliberately limited to a short 256 pages, this EasyGuide is an exercise in creating easily-absorbed travel information. It emphasizes the authentic experiences in each destination: the most important attractions, the classic method of approaching a particular destination; the best choices for accommodations and meals; the best ways to maximize the enjoyment of your stay. Because it is "quick to read, light to carry", it is called an "EasyGuide", and reflects Arthur Frommer's lifetime of experience in presenting clear and concise travel advice.

About the Author Fran Golden is a well-known travel writer and the cruise expert blogger for USA Today's Experience Cruise website. She is also a contributing editor and chief blogger for the cruise magazine, Porthole. Former travel editor of the Boston Herald, she writes for numerous newspapers and magazines including the Miami Herald, New York Daily News and Virtuoso Life. When she is not at sea, Fran and her partner, David Molyneaux reside in Oberlin, Ohio. Gene Sloan writes about cruising for USA TODAY and oversees several USA TODAY-owned cruise websites. His stories are distributed by the Gannett News Service to more than 80 other U.S. news outlets. He has written about travel for more than 20 years and sailed on nearly 100 ships. He lives with his wife and three daughters in Moorestown, NJ.
