before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's EasyGuide to National Parks of the American West (Easy Guides):

5 of 5 people found the following review helpful. Where is Crater Lake?By Judith A. GrubbsNice guide but incomplete. How can they call it National Parks of the west and leave off the only National Park in Oregon? Nice maps with distance between parks for a road trip, but I want to know distances including all the parks in the west.1 of 1 people found the following review helpful. Little DisappointedBy B. MessmerDisappointed that it covered only a couple of the National Parks in Utah which are our primary destination. Otherwise content is informative for Parks included.2 of 2 people found the following review helpful. we liked this book!By L. BarrettGREAT book which is giving us the information we will need for our trip soon to the parks in Utah!

Quick to read, light to carry with expert advice in all price ranges, Frommer's EasyGuide to National Parks of the American West is the complete up-to-date reference for travelers who want to maximize their visit in the smartest, most time-efficient way. Frommer's trademark candid and accessible expertise offers reviews on selecting the correct park for you based on interests and length of stay, complete with suggested driving tours. The guide also covers where to find the best hiking trails, rafting, rock climbing, wildlife viewing, scenery and campgrounds. Insightful commentary on everything from the natural attractions to avoiding crowds and finding the best times to visit, as well as finding the right place to stay.

About the AuthorEric Peterson has been writing about travel for more than 20 years. Beyond covering the Rockies in numerous Frommer's guidebooks, he has also written about skiing, hiking, and other ways to get up and down mountains for such publications as the New York Daily News, Delta Sky, and his own Ramble series of travel books. When he's not on the road, he covers the arts, technology, and city-building for Confluence Denver, a 'hyper-local' website. Eric lives in Denver with his wife, Jamie, and their trusted canines, Mimi and Duncan. Don Laine has traveled and written extensively about the Rocky Mountains and Southwest since moving to New Mexico over forty years ago, especially the region's national parks and monuments. He has authored several Frommer's guidebooks to the region. Don lives in northern New Mexico.
