Shannon Wianecki, Martha Cheng, Jeanne Cooper : Frommer's Hawaii 2015 (Color Complete Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Hawaii 2015 (Color Complete Guide):

A great mix of "what to see", along with the why's, hotel recommendations, restaurants, etc. that you would expect from Frommer's. Interestingly, a bit annoying, requires UPS signature conformation with

do ...By ReaderI purchased this book to prepare for my first Hawaiian vacation. It gave me a great deal of ideas on
what there is to do on each island. I especially liked the "must do", "ought to do", and "great to do if you have time"
breakdowns. And based on the activities/sight-seeing I did actually do when on the Big Island, I would say the author's
suggestions and ratings were right on. I found the book weak in the area of hotel and airline suggestions.

Written by three outspoken, authoritative experts, Frommers Hawaii 2015 shows travelers how to plan and execute the
adventure of a lifetime in these legendary islands. This classic Frommer's series includes exact prices;extraordinarily
candid reviews of the best beaches, restaurants, attractions, outfitters and hotels in every price range (from hostels to
glamorous resorts);and dozens of detailed maps.
