**Brian Kevin : Frommer's Maine Coast (Complete Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Maine Coast (Complete Guide):

1 of 1 people found the following review helpful. Great book, great state.By CustomerHad to go to Portland, ME for biz and downloaded this book on whim. So glad I did. Found GREAT restaurants through it in Portland that I never would have found on my own---little holes in the wall, and buzzing places, all werre great. Then I decided to add on a

few vacay days and it was a cinch to plan, thanks to the clear, easily followed info in the book. Ended up spending 5 days total (with the work days) and I'm planning to go back later in the summer b/c I fell in love with Maine. So glad I'll have this book to plan a second trip!

1 of 1 people found the following review helpful. BEST book for Maine, IMHO!

By Jeanne Paul

We have made more than a few trips to Maine, so I thought I really knew that wonderful state, especially the coast. So I hesitated to buy yet another guidebook even though I needed up to date information for this summer. My good friend recommended this new Frommer's Maine Coast so I decided to go for it and am so glad I did. Wow, what a great book! Full of interesting history, terrific places to visit and to stay and to eat.. And I especially liked the pull-out map--it is really clear and easy to use. This book is going to be in my hand all the way . The pages, of course, will be well-stained with butter from those fabulous Maine lobsters!

2 of 2 people found the following review helpful. Complete ease for traveling!

By Customer

I own the guide from 2005 and wanted the new update. I have used other guides and this is far superior. The information is so detailed and complete. Besides where to stay and eat, the general information really gives a feel for things to see and do. The continuous movement up the coast makes it very easy to plan my trip. The pull-out map is a bonus.

You'll never fall into tourist traps when you travel with Frommer's. Doing so is like having a trusted friend show you around, taking you to the places locals like best. That's because our guidebooks, unlike much of the competition, are written by resident experts like Brian Kevin, the author of Frommer's Maine Coast, and the managing editor of Down East magazine. In this highly opinionated book, he'll help you sort through the options so you can tailor a vacation that's right for you.

Frommer's Maine Coast covers all of the regions highlights from the best beaches and lobster rolls to the most scenic places to hike, kayak, and sail. The book gives in-depth advice on how to tackle the wondrous Acadia National Park, the foodie scene in Portland, such small-town gems as York Village, Camden, Castine, and more.

Our guide proudly contains: Exact prices for every venue and activity listed, so there's never any guessing or nasty surprises. Detailed maps throughout, plus a handy pullout map. Savvy, hard-hitting reviews of restaurants, hotels, attractions, shopping, and nightlife in all price ranges, from luxe to backpacker-friendly. Helpful suggested itineraries so you can make the most of your vacation time.

About the Author
