Paul Karr : Frommer's Maine Coast Day by Day (Frommer's Day by Day - Pocket) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frommer's Maine Coast Day by Day (Frommer's Day by Day - Pocket):

2 of 2 people found the following review helpful. Good, not great advice
By Michael D
We used the book for several days of a road trip along the Maine coast. While I'm normally a fan of itinerary-based books, we often discovered cuter and more appealing towns by meandering around ourselves than driving 20-60 minutes to specifically go to their suggestions. The book doesn't really seem to have been written by an informed local. Certainly better than nothing, and it gives a lot of direction, but don't hesitate to deviate. The book does not have a monopoly on Main coastal gems.
0 of 0 people found the following review helpful. I read it even a year after the trip is over.
By Kathleen W. Giffin
It is so detailed and contains many great photos that it made planning our journey a lot easier. It fit into a small handbag for ease of carry. Made from durable materials. Enjoyed it so much that I hung onto it and occasionally still read for the memories.

By atlantanole
The day by day series are the best of their kind. Easy to use and has all of the info you need in a compact book. Well worth the money

Maine's majestic shoreline stretches for more than 5,500 miles, dotted with small towns and villages that beckon with adorable bed-and-breakfasts and restaurants where you can eat what was caught from the sea that day. It's a spectacular place to play in the ocean, enjoy coastal views, and tour the state's beautiful wilderness. Filled with tips and itinerary suggestions, hundreds of original color photos, dozens of annotated maps, thematic tours for every taste, and star-rated advice on where to eat, stay, shop, and have fun, this book is the perfect accompaniment to any visit to the Maine Coast.

From the Back Cover
26 Self-guided Tours. 40 Maps. One Great Trip.
At last, a travel guide that tells you how to see the best of everything in the smartest, most time-efficient way. The best of the Maine Coast in three days, one week, or two weeks
Thematic tours for every interest, schedule, and taste
Driving tours that visit the region's most scenic roads and towns
Hundreds of evocative color photos
Bullethead maps that show you how to get from place to place
Hotels, restaurants, shopping, and nightlife for all budgets
A tear-resistant foldout map enclosed in a handy plastic wallet you can also use for tickets and souvenirs
About the Author
Paul Karr is a prize-winning journalist and travel editor who has authored more than 25 guidebooks around the world, including Frommer's Vermont, New Hampshire Maine, Vancouver Victoria For Dummies, Insight Guide: Switzerland, Driving Northern Italy The Italian Lakes, USA On the Road, and Scandinavia: The Rough Guide. Now based in New York and Tokyo, he has twice served as writer-in-residence for the National Parks Service and once dined in the White House at the President's personal invitation. For real.
