Paul Karr, Leslie Brokaw, Marie Morris, Laura M. Reckford : Frommer's New England (Frommer's Complete Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's New England (Frommer's Complete Guides):

downloaded onto my I-pad. However, this one has an inexcusable flaw: There is no table of contents. That is ridiculous. In addition to not knowing what exactly is in the book unless you go page by page, you cannot quickly consult something you read previously (essential in a guide book) unless you jot down the location page on a separate piece of paper. It is astounding that Frommers allowed the book to be released in this fashion and that no one at pointed out this blunder. All I know is that I will never buy a Kindle product from this publisher again. 0 of 0 people found the following review helpful. A Must Have By Karne Moore This book is a must have if you're traveling through New England. One of the best features is suggested itineraries if you're at a loss where the best spots are to hit and how to get to them in the time frame you're visiting whether that would be one, two weeks or something else. Love the information on lodging. The book breaks it down from very expensive to economical and suggests such things like staying on the north side of a hotel because the south side is facing a high traffic street. This is my second Frommers book. The first I used was in Ireland and the book was with me all the time and we didn't have any trouble finding our way around to sites we wanted to visit. I highly recommend this book!

America's #1 bestselling travel series Written by more than 175 outspoken travelers around the globe, Frommer's Complete Guides help travelers experience places the way locals do. More annually updated guides than any other series 16-page color section and foldout map in all annual guides Outspoken opinions, exact prices, and suggested itineraries Dozens of detailed maps in an easy-to-read, two-color design Frommer's New England is packed with candid opinions on the best country inns and restaurants, lobster pounds, antique shops, foliage tours, beaches, hiking, biking, and other outdoor adventures. We've covered all the perennial favorites, from the Freedom Trail to the Berkshires and beyond, but we'll also take you off the beaten track to discover New England's best small towns and most pristine wild places. Whether you want a romantic getaway in a Vermont country inn or family fun on the Cape's best beaches, Frommer's will help you design the trip that's right for you. You'll even find a color fold-out map!

.com Food and Beverage Highlight: Abbott's in the Rough, Mystic, CT Few summer pleasures are more congenial than tucking into a lobster dinner on the outdoor deck at Abbott's as the waters of Fisher's Island Sound gently slap the pilings beneath you. For some, visiting the most southeastern corner of Connecticut is about seeing the old restored ships at Mystic Seaport or cavorting whales and dolphins at the Mystic Aquarium; for lobster lovers, though, it's about dining on lobsters fresh off the boat in a clambake-casual waterside setting. "Using the expertise of knowledgeable travel writers and editors, Frommer's New England is stuffed like a turkey, with slivers of information spilling out as soon as you open the cover. Even experienced travelers will find new information in the guide. Follow the advice in the 'best' list and you won't go too far wrong." Advocate, Baton Rouge, Louisiana From the Publisher "Using the expertise of knowledgeable travel writers and editors, Frommer's New England is stuffed like a turkey, with slivers of information spilling out as soon as you open the cover.
