British Auto Association, Kathy Arnold, Paul Wade : Frommer's New England's Best-Loved Driving Tours
before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's New
England's Best-Loved Driving Tours:

11 of 11 people found the following review helpful. Great for New England travelBy H. HallWe loved this book! It has a number of driving tours that take you to highlights in each state. It has a couple of really nice features. The first, although we didn't stick to it very much, is the time suggested for the trip. They did suggest 2 days for the Southern Vermont tour. We did it in one day but only because we didn't stop in all the little towns suggested by the book. The book does not have much detail on each place so I would suggest a second "guide book" for more details and hotel/restaurant suggestions but the driving tours and directions were accurate and had good 'stop here' suggestions.0 of 0 people found the following review helpful. Great - looks brand newBy Carol TexasGreat book with loads of very helpful information - now I can plan my New England driving tour. This book was like new -- I was surprised - it showed no sign of having been used.10 of 10 people found the following review helpful. I highly recommend Best Loved Driving ToursBy CustomerOur family used this guide on a recent vacation to New England, particularly at Lakes Squam and Winnepesaukee. The guide gave wonderful suggestions and directions. We stopped at some places that we would not otherwise had taken notice of and we were able to form a more complete 'picture' of the area. The maps and written description were accurate and we felt we could rely on the book. There are many more tours for us to take and we are looking forward to doing so!

Let Frommer's take you to: The picture-postcard villages of Cape Cod and the Berkshires Mystic and the maritime towns of the Connecticut coast The settings that inspired Wyeth, Rockwell, Melville, and Thoreau Vermont's Northeast Kingdom, New Hampshire's White Mountains, and the Maine woods Newport's mansions, college towns, Boston's Freedom Trail, and the lobster capital of the world And much, much more! Inside you'll find: 23 distinctive, easy-to-use itineraries--all fully illustrated with beautiful full-color photos Tips on the best hotels and restaurants along each route Exact directions, distances, and driving times for each route All the sights along the way--with highlights for history buffs, nature lovers, and families traveling with kids Scenic side trips, special moments, and recommended walks Detailed, accurate full-color route-planning maps
