Lesley S. King : Frommer's New Mexico (Frommer's Complete Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's New Mexico (Frommer's Complete Guides):

1 of 1 people found the following review helpful. Purchased this as a guide book for trip this past ...By

Theresa Purchased this as a guide book for trip this past summer. It was very handy - I tried several of the restaurants visited many of the sites listed. Although I did not always agree with the ratings given in the book, I found it reliable when giving distances, prices, sites that I would have missed completely if I did not have this book as a reference. I will use it again in future trips. 0 of 0 people found the following review helpful. not like the frommers I once knew...By world traveler I am a loyal customer of Frommers Travel books for several years now and I highly recommend them to anyone planning a vacation. However, this book on New Mexico is not as good as I had hoped. It lacks the things I like best about Frommers (the things only the locals really knew about). This book has a minimal amount of that, otherwise, everything else in the book is just basic and average tourist info. I have also ordered another book that I will be reading in a couple of months and I am hoping that book is more like the Frommers I once knew. This book except for the tourist warnings, had nothing that I could not have found on line. I am happy to have it and although I would not recommend it as a travel necessity to others, I will be bringing it along, just in case I need it. 1 of 1 people found the following review helpful. perfect By Bruce Felper will help us plan our vacation when we go to new mexico this winter, the book was in perfect condition

You'll never fall into the tourist traps when you travel with Frommer's. It's like having a friend show you around, taking you to the places locals like best. Our expert authors have already gone everywhere you might go--they've done the legwork for you, and they're not afraid to tell it like it is, saving you time and money. No other series offers candid reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up-to-date, with exact prices for everything, dozens of color maps, and exciting coverage of sports, shopping, and nightlife. You'd be lost without us! Written by a lifelong resident of New Mexico, this is an extraordinary and in-depth guide to this most intriguing corner of the American Southwest, written in an honest, personal voice. Come along with Frommer's and discover the galleries and innovative restaurants of Santa Fe, the glorious ski slopes of Taos, the stunning landscapes of White Sands National Monument, the wacky legends surrounding Roswell, and the wondrous subterranean world of Carlsbad Caverns. It's all here, in true Frommer's style, with practical tips, detailed maps, and a wide choice of accommodations that will suit any taste or budget.

From the Back Cover Experience a place the way the locals do. Enjoy the best it has to offer. Frommer's. The best trips start here. With the best of the Four Corners region. Outspoken opinions on what's worth your time and what's not. Exact prices, so you can plan the perfect trip whatever your budget. Off-the-beaten-path experiences and undiscovered gems, plus new takes on top attractions. About the Author Lesley S. King grew up on a ranch in northern New Mexico, where she still returns on weekends to help work cattle. She's a freelance writer and photographer, and she's a columnist for New Mexico magazine as well as an avid kayaker and skier. Formerly the managing editor for The Santa Fean, she has written about food and restaurants for The New York Times; the Anasazi culture for United Airlines Hemispheres magazine; and the environment for Audubon. She is also the author of Frommers Santa Fe, Taos Albuquerque, Frommers Great Outdoor Guide to Arizona New Mexico, and New Mexico For Dummies, and she's the co-author of Frommers American Southwest.
