Diana K. Schwam : **Frommer's New Orleans 2011 (Frommer's Complete Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's New Orleans 2011 (Frommer's Complete Guides):

6 of 6 people found the following review helpful. Time: The Travel Book's Worst EnemyBy Linda Likes to LearnAlthough this guide is supposed to be 'good' for the year 2011, I found a few discrepancies - businesses that were

no longer open, restaurants whose ratings should very definitely be downgraded, etc. New Orleans remains in a great state of fluctuation, even many years after Katrina and her sister's damage. This '2011' book was quite probably written, or revised, more than a year before it was published. That's a very long time to expect 'status quo' in NOLA (New Orleans, LA). Use this guide as a source for many inspiring and interesting suggestions - but be sure to phone and double-check for closings or change in venues. If you're a real foodie, browse NOLA's excellent bookstores and local publications, including the Food Editor at the Times-Picayune, for updates on great dining - before you make reservations at a 100-year-old restaurant legend whose quality has slipped - and you regrettably have spent \$250 for dinner that would have enjoyed much more - elsewhere. New Orleans is a fascinating place to visit, with ancient and new side by side. What's new today may be gone next month - but as long as the Vieux Carre (French Quarter) remains, as well as the rest of this multi-faceted city, there will be plenty to explore and enjoy. 0 of 0 people found the following review helpful. Best Travel Guide By Janelle Frommer's New Orleans is the best travel guide I have ever used. Whoever wrote it really understands the city. Love the Walking Tours that you do yourself, very easy to follow. Also, includes recommendations for items that aren't even on the menu anymore, little secrets of the town that only locals know. We had the best sandwich at Tujaque's for only \$10 and it was big enough to share. Can't recommend this guide enough. 0 of 0 people found the following review helpful. A Suitable Companion for Sightseeing in NOLA By Seattle Cat Woman I found this book to be useful; but, I may not have needed it since this was my third trip to NOLA in as many years. The area is so compressed and easily walked, that I found I remembered and knew more than I had realized. Good restaurant and sightseeing recommendations. My time share map of the French Quarter was more detailed and useful than the Frommer's maps.

Completely updated every year, Frommer's New Orleans features a full rundown of the unique experiences that await you. Our author hits all the highlights, from the French Quarter to the Garden District to Mid-City and beyond. She's checked out all the city's best hotels and restaurants in person, and offers authoritative, candid reviews that will help you find the choices that suit your tastes and budget. You'll also get up-to-the-minute coverage of shopping and nightlife; an in-depth look at Mardi Gras; detailed walking tours; accurate neighborhood maps; advice on planning a successful vacation; and side trips to Cajun Country and the nearby plantation homes. Frommer's New Orleans also includes a color fold-out map.

From the Back Cover Hear live jazz into the wee hours at Maison Bourbon in the French Quarter. See chapter 11. Detailed maps throughout Exact prices, directions, opening hours, and other practical information Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife Itineraries, walking tours, and trip-planning ideas Insider tips from local expert authors
