**Karl Samson : Frommer's Oregon (Frommer's Complete Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Oregon (Frommer's Complete Guides):

Written by a longtime resident, Frommers Oregon is a highly personal guide, full of the authors favorite finds and off-the-beaten-track discoveries. Well show you the best of Portland, and then take you along the coast to explore the most charming resort towns and hike past otherworldly rock formations on the beach. Its all here: the unbelievably blue waters of Crater Lake; the world-class Oregon Shakespeare Festival at Ashland; hiking, mountain-biking, and skiing at Bend; art galleries and craft shops; microbreweries and fabulous seafood; and a host of increasingly renowned wineries. Youll find a wide choice of accommodations, from romantic inns on the coast to wilderness lodges in the pristine forest. With Frommers in hand, its easy to design the Oregon adventure thats right for you.
