Three StarsBy GAFANwasn't my favorite, but a good resource...3 of 4 people found the following review helpful. washington in a dayBy kevinwell if you are very limited on time the best way to see washington has to be the tourmobile you can pick it up at union station and get on and off all day for 25 bucks a person (35 for a 2 day pass) this guide was a buy and easy to carry. you can go to all the major monuments for free and the changing of the guard at the tomb of the unknown soldier was impressive and moving this book and all the frommers portables are great in my experince.
