Janis Turk : Frommer's San Antonio and Austin Day by Day (Frommer's Day by Day - Pocket) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frommer's San Antonio and Austin Day by Day (Frommer's Day by Day - Pocket):

By Chanda McCall
I purchased about 7 travel guides to San Antonio for a 4-day trip there! This was my second favorite book to use for its ease of use and helpful maps. The information is relatively updated and gave me some additional insight of what to do (especially on the Riverwalk).

By Dave
We figured we'd buy the Frommer's tour book prior to going to San Antonio but to be truthful we would have gotten more off the internet and it would have been more up to date as well. The book's layout was okay though nothing special and though it gave us some idea what to expect but since we spent most our time around the River Walk, a more specific guide would have been a better option.

Filled with tips and itinerary suggestions, hundreds of original color photos, dozens of annotated maps, thematic tours for every taste, and star-rated advice on where to eat, stay, shop, and have fun, this Frommer's Day by Day guide is the perfect accompaniment to any visit to Austin and San Antonio.
