I was surprised to see it was a smaller book and that actually made me quite happy. Very easy to pop into my purse or bag. The contents are organized very well. It just seems to be very user friendly. I haven't been to San Diego yet and wanted the book ahead of time so I could plan out the 3 days I have there. This book will make it easy for us to plan our days and to prioritize everything we want to see. The book seems quite thorough in terms of a good quantity of different points of interest, restaurants, shopping, etc. It is colorful and easy to flip through. Lots of helpful maps. There is even a removable map which was a nice surprise. I am very happy with this book.3 of 3 people found the following review helpful. Five StarsBy CustomerVery good resource for planning a trip to San Diego.1 of 1 people found the following review helpful. Handy and helpfulBy MKExcellent little guide. Great map. Covers a wide range of useful information in well organized form. You could find most of the information on the internet but not as efficiently as flipping through book. On my recent trip to San Diego I wished there were more restaurant reviews and that they were organized by neighborhood.

San Diego is a touristic magnet, attracting an estimated 40 million tourists a year. That's not surprising: the city boasts some of the most fascinating museum and historic sights in the nation, plus a vibrant nightlife scene (including cutting-edge restaurants), eye-candy nature sights and postcard-perfect beaches. Frommer's San Diego day by day advises the reader how to see the best of everything--in the smartest, most time-efficient way. The book contains:- The best of San Diego in one, two or three days, plus thematic tours for every interest, schedule or taste.- Walking tours of the city's best-loved neighborhoods, from the Gaslamp Quarter to La Jolla and Coronado.- Scores of evocative color photographs.- Bulleted maps that show the reader how to get from place to place, plus a tear-resistant foldout map in a handy, reclosable plastic wallet.- Highly opinionated appraisals of hotels, restaurants, shopping, and nightlife for all budgets from luxury to backpacker.- Exact pricing so there's never any guessing.- Detailed information on the best outdoor adventures, beaches and day trip.
