**Karl Samson, Jane Aukshunas : Frommer's Seattle Portland 2000 (City Biennial)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Seattle Portland 2000 (City Biennial):

1 of 5 people found the following review helpful. I good Guide to 2 great citiesBy A CustomerSeattle is like Portlands bigger little brother. it is a younger city but it grew larger quicker than Portland. It has the space needle and some really nice landmarks. Portland in contrast is a bit smaller and has no nationally reconized landmarks. I have spent a great deal of time in both cities and I find that Portland is my favorite. Hence I there. This guide will take you to most the best places in both cities, but if I where you I would also get a guide dedicated to each city individually. Oh, and take it from someone who knows. Do not try to drive in rushhour in Seattle, infact dont drive at all in Seattle, stay across the straight and take te fairy over. In Portland just take Trimet. Do not get on C-tran it will take you to Vancouver WA which is boring and out of the way. Overall good book

Life is short. Vacations are shorter. Relax! Trust your trip to Frommer's. Choose the Only Guide That Gives You: Exact prices, so you can plan the perfect trip no matter what your budget. About the AuthorAbout the Authors Karl Samson and Jane Aukshunas, husband-and-wife travel-writing team, make their home in the Northwest, where they've never been able to decide which city they like best, Seattle or Portland. Together they also cover the rest of Washington and Oregon for Frommer's, and Karl is also the author of Frommer's Great Outdoor Guide to Washington Oregon.
