Karl Samson, Jane Aukshunas : Frommer's Seattle Portland (5th ed) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Seattle Portland (5th ed):

Its simple: Frommers offers the most complete, easy-to-use, and up-to-date travel information consumers can buy. No other series can match our commitment to offering all the practical details in such a fun, user-friendly format. Our candid, authoritative hotel and restaurant reviews are the best in the business—theyre incredibly detailed, and they include carefully chosen selections for every taste and budget. And we offer a wealth of sightseeing, sports, strolls, and special moments—from the major tourist highlights for a first-time visitor to off-the-beaten-track discoveries that will impress even the most seasoned traveler. And its all accompanied by our detailed, accurate two-color maps that show you the way. Most guidebooks read like textbooks or promotional brochures—but not Frommers. We know that readers turn to us when theyre planning a vacation, so even though we take the details seriously, we produce guides with a sense of fun and discovery. And we believe that you can tell a book by its cover—so we dont settle for anything less than spectacular photography. No wonder were turning heads. And no wonder readers have rediscovered that Frommers is the name you can trust.
