Jeanne Cooper, Shannon Wianecki : Frommer's Shortcut Kauai (Shortcut Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Shortcut Kauai (Shortcut Guide):

2 of 2 people found the following review helpful. Useful, concise formatBy Sara CaldwellHelpful enough for a tiny little pocket guide. I don't think it gave me any new info that I hadn't already garnered from "The Ultimate Kauai Guidebook, Kauai Revealed" which is much more in-depth and still small enough to keep with you. This Shortcut guidebook has some nice maps, and seems like it should be useful, but I bought the Holy Grail of guidebooks at the

same time, so this one has gotten less attention.0 of 0 people found the following review helpful. Doesn't miss a beatBy NatesmomVery informative and easy read layout. The shortcut guide hits all the notes. And the kindle price is a bargain.0 of 0 people found the following review helpful. Four StarsBy CustomerHandy size and easy to use when out and about on Kauai

Regarded by many visitors as the most beautiful island of Hawaii, Kauai is currently receiving an awesome number of pleasure-seeking tourists, who delight in its fauna, flora and other wonders of nature. This ShortCut Guide to Kauai, confined to essential facts, covers both the sights and the practicalities, and squeezes in a surprising amount of recommendations for lodging, dining, sightseeing, sea sports, sea-bathing and relaxation. Authors of the book are natives of Hawaii, who have responded to the challenge of conveying advice that is easily and quickly consulted and yet colorfully described. It is a standout in the Frommer's travel series.
