David Baird, Eric Peterson, Neil Edward Schlecht : Frommer's Texas (Frommer's Complete Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Texas (Frommer's Complete Guides):

1 of 1 people found the following review helpful. Good for East Texas, not so much for WestBy Robert WI buy Frommer's travel guides for almost all my travels, and have used this guide (the 2011 edition) for several years as I

visited various places in east Texas (Fort Worth-Austin-San Antonio and east.) I just returned from a 2 week trip across west Texas, and the coverage in this book (Chapter 10) for that part of the state is a bit thin. Nothing on towns of Fort Stockton, Pecos, too little on Alpine, the Davis Mountains, and El Paso. But the recommendations are good as always, and if you only have 1 guide for Texas this is the one to get. 2 of 2 people found the following review helpful. More than enough information for a short trip
By Lon Welsh
We are planning a long weekend trip to Houston and found that this book provided more than enough detail on where to stay and what to see. It's well organized and has a sufficient level of detail. I know Dallas pretty well, and skimming that section hit all of the high points I remember and made several suggestions for newer attractions that I did not know about.

As with most Frommer's Guides, the one on Texas gives a pretty good overview of what there is to see and do. This one, of course, has to cover a vast area, but does a reasonable job on the small details. Frommer's ratings on hotels and restaurants, however, can no longer keep up with online sites like Trip Advisor, where the ratings are being updated constantly.

Our authors hit all the highlights, from the nightlife in funky Austin to bright lights of Dallas to the trails of Big Bend. They've checked out all the state's best hotels and restaurants in person, and offers authoritative, candid reviews that will help you find the choices that suit your tastes and budget. You'll also get up-to-the-minute coverage of shopping and nightlife; accurate neighborhood maps; the best historical sites (the Alamo, Dealey Plaza); and advice on planning a successful family vacation. Destination highlights include all the major cities (Dallas, Fort Worth, Houston, San Antonio, and Austin) plus many more fantastic destinations (Big Bend and Guadalupe Mountains national parks, the gulf coast, and the panhandle plains)

From the Back Cover
Vintage murals and other funky elements can be found all around Austin. See chapter 9. Detailed maps throughout
Exact prices, directions, opening hours, and other practical information
Candid reviews of hotels and restaurants, plus sights, shopping, and nightlife
Itineraries, walking tours, and trip-planning ideas
Insider tips from local expert authors
About the Author
David Baird is a writer, editor, and translator based in Austin, Texas. Eric Peterson lives in Denver, Colorado, and writes about all sorts of subjects, including but not limited to travel, business, politics, music, skiing, and environmental issues. He is the author of several Frommer's guides and *Ramble Texas* (Fulcrum Books, 2010). Peterson's byline has appeared in such publications as the *New York Daily News*, *High Country News*, *Westwood*, and *ColoradoBiz*. Neil E. Schlecht was reared in North Dallas. He attended Plano Senior High School, returned for graduate school at the University of Texas at Austin, and married a fellow Texan. Now living in northwestern Connecticut, he is the author and co-author of more than a dozen travel guides, including *Frommer's Peru*, and is the author and photographer of *Buenos Aires Day by Day* and *Mallorca Menorca Day by Day*. His Texas heroes are Ann Richards, Stevie Ray Vaughan, and Jimmie Dale Gilmore.
