Don Laine, Barbara Laine : Frommer's Utah (Frommer's Complete Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Utah (Frommer's Complete Guides):

2 of 2 people found the following review helpful. A Good General Reference for Utah TravelBy William W. Gorman

Jr. This is a good general book if you intend to make a wide ranging tour of Utah and National and State Parks/Monuments and other sites. It is light on specifics but will help you locate areas of interest and accommodations in those areas. However, for specific information on hiking and unusual sites you will need other references. 0 of 0 people found the following review helpful. Frommers Utah: A superior guide By Irene We are planning a trailer camping trip to a region of the country that we have never been to before -- southern Utah to see Zion, Bryce, Arches and more. Frommer's guide provided excellent itineraries, directed us to where to camp with our trailer -- both state and national parks along with commercial campgrounds and provided phone and on-line addresses where I was able to obtain additional information. I also had access to Fodor's Utah and for the trip we are taking Frommer's was the superior guide although Fodor's is a solid resource. 0 of 0 people found the following review helpful. Excellent guide By JSPurchased for a recent trip and found it to be an excellent resource to carry on my Kindle. Got good tips on sights to see in Salt Lake City, Moab, Arches Nat'l Park and Canyonlands Nat'l Park. Yes, you can find many of these tips on the internet, but carrying a Frommers on my kindle gives me access to helpful tips whenever needed.

You'll never fall into the tourist traps when you travel with Frommer's. It's like having a friend show you around, taking you to the places locals like best. Our expert authors have already gone everywhere you might go--they've done the legwork for you, and they're not afraid to tell it like it is, saving you time and money. No other series offers candid reviews of so many hotels and restaurants in all price ranges. Every Frommer's Travel Guide is up-to-date, with exact prices for everything, dozens of color maps, and exciting coverage of sports, shopping, and nightlife. You'd be lost without us! Meticulously researched, with every recommendation based on personal experience, Frommer's Utah is the only guide you'll need to experience all the adventure and natural wonders of this amazing corner of the Southwest. In this detailed and completely up-to-date guide, you'll find great places to stay in every price range: luxury ski lodges, historic B&Bs, family-friendly motels, ranches, rustic cabins, and more. We'll show you all the sights, from dinosaur fossils and ancient cliff dwellings to Wild West saloons and magnificent Temple Square. You'll rely on our complete coverage of the national parks and monuments, including Zion, Bryce, Canyon, Capitol Reef, Moab, and Arches, plus all the details on some of the nation's best ski resorts. Whether you're looking for family fun or daredevil thrills, Frommer's Utah will help you design the adventure that's right for you.
