Paul Karr : Frommer's Vermont, New Hampshire and Maine (Frommer's Complete Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Vermont, New Hampshire and Maine (Frommer's Complete Guides):

0 of 0 people found the following review helpful. Five StarsBy kittykat23Great book Loved it!!0 of 0 people found the following review helpful. I highly recommend this book or any other Frommers travel bookBy DianeI highly recommend this book or any other Frommers travel book. It was so helpful with finding little restaurants that were out of the way and delicious. It was very detailed with little known facts that were so fun to know that I don't think I would have know otherwise.4 of 4 people found the following review helpful. DisappointingBy Amy Royden-BloomWe bought this book for a summer trip to Vermont with our family with kids and found the guide not very helpful for finding things to do or places to eat in Vermont. It is more geared towards ski season.

New and completely revised edition! Itineraries for special interests and overall highlights: from hiking in New Hampshire's White Mountains, to spending two weeks on the Maine Coast, to seeing the Best of Vermont in a week. Each chapter offers an entire "Enjoying the Outdoors" section, with tips and suggestions for every season. The Best of New England section offers a wide range of accommodations and dining choices. Includes an overview of the region's mountains, forests, and coastlines and a history of the people and landscape. If you're a leaf-peeper, we list The Best Places to See Fall Foliage

.com Per Frommer's usual convenient design, the inside flap of the front cover displays a color map of New England--so you can see the whole region at a glance--and the rest of the guidebook continues the pattern of thoughtful, practical, helpful travel information in a portable, accessible format. Chapter 1 summarizes the best of Vermont, New Hampshire, and Maine: the best small towns, best country inns, best restaurants, best shopping, best family destinations, and best places to see the fall foliage. Wayne Curtis then introduces the various regions, their history and geography, literary legacy, and contemporary style. Curtis provides trip-planning details, such as climate information, a calendar of events, how best to get there and get around, and where to check on the Web for New England sites. Then come the comprehensive state sections, each with recommended places to stay and eat, a discussion of outdoor activities, and interesting snippets on the Ben Jerry story, the history of maple syrup, ferries to Nova Scotia, and the debate over Maine's North Woods. Excellent maps accompany each section, as do lists of useful phone numbers, tourist information offices, and suggestions of what there may be to do at night, resulting in a smartly compiled guidebook with lots of useful information and no excess fluff. --Stephanie GoldFrom the PublisherFrommer's brings you everything to see and do in the New England states of Vermont, New Hampshire, and Maine. Frommer's great lists give you options and honest opinions. Inside you'll find: The Seven Wonders of Northern New England The Best Small Towns The Best Places to See Fall Foliage The Best Ways to View Coastal Scenery The Best Active Vacations The Best Destinations for Families The Most Intriguing Historic Homes The Best Places to Rediscover America's Past The Best Resorts The Best Country Inns The Best Bed Breakfasts The Best Moderately Priced Accommodations The Best Alternative Accommodations The Best Restaurants The Best Local Dining Experience The Best Destinations for Serious Shoppers Let Frommer's tell you all about: Bennington, Manchester, and Southwestern Vermont The Southern Green Mountains Killington and Rutland Montpelier, Barre and Waterbury Maple Syrup Ben Jerry's Burlington Ethan Allan The Champlain Islands The Seacoast Canterbury Shaker Village Monadnock and the Connecticut River Valley Penobscot Bay Mount Desert Island Acadia National Park The North WoodsFrom the Back CoverKayak the rugged and rocky coastline of Pemaquid Point, one of Maine's most dramatic destinations.
