Helped me plan a trip to MonticelloBy TEYI wanted to visit Thomas Jefferson's house Monticello over the weekend and had done some

research on the Internet. A few days before the trip, I spotted this book in a local bookstore and decided to buy it because it provides useful information about Monticello and other top attractions in the area. I live in the greater Washington DC area and were surprised to find interesting attractions in the book. I plan to use the book for future short trips to Virginia. 18 of 19 people found the following review helpful. A good overview of Virginia By G. Manter Concise, up-to-date and useful descriptions of attractions, hotels and restaurants around Virginia.
