Great book - Lots of good info By D. Wolcott This is a great guide for WDW and the Orlando area. I really like the rating system used for rides. The reviews were in depth and fairly accurate (if not spot on). If you are planning a trip to Orlando, I would highly recommend this book. The Kindle version was well converted. Images are in the right places, and the layout is still intact. An easy read with great information. 1 of 1 people found the following review helpful. Was exactly what it said it would be. By generalstarkey I really enjoy how honest and candid she is in her writing. She will give you the best advice for multiple scenarios. It's wonderful. This is the second book I've bought I also bought '08' but I wanted to see what was new and improved and it was worth it.
