This is a VERY helpful travel book! In 357 pages it gives you access to the Online Travel Directory and has a large pull-out color map, yet it is small enough to fit in almost any handbag. Sites of interest covered in the book include Animal Kingdom, Epcot, Disney-MGM Studios, Water Parks, Golf, Tennis, Islands of Adventure, Daytona Beach, Kennedy Space Center and More! It gives pretty accurate ratings of rides, restaurants, hotels and such. This is especially helpful if you are taking the kids, you can use this to plan out the vacation, know what rides and food your kids will enjoy and even gives sample itineraries. The information is reliable and the details are wonderful! If you, or someone you know, are planning a trip to the Orlando area, this is a MUST!
