Elise H. Ford : Frommer's Washington, D.C. 2011 (Frommer's Color Complete) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frommer's Washington, D.C. 2011 (Frommer's Color Complete):

0 of 0 people found the following review helpful. DO NOT BUYBy Kindle CustomerTHIS BOOK IS BAD. IT IS NOT HELPFUL AT ALL. WE TOOK IT TO DC WITH US AND IT WAS TERRIBLY USELESS. THERE WERE

NO PICS, NO MAPS, NOT EVEN A SUBWAY MAP. RECOMMENDATIONS WERE OUT OF DATE AND SAD. EASTERN MARKET WAS WORSE THAN A BACKYARD GARAGE SALE. YELP WAS MORE USEFUL AND FREE. THIS WAS MY FIRST AND LAST FROMMERS GUIDE. THEY SHOULD BE ASHAMED OF THEMSELVES FOR PUTTING OUT A BOOK DISGUISED AS A GUIDE. IT MOST CERTAINLY IS NOT a guide. you will be happy if this helps and you do not buy. Please find something else. the few of us who wasted our money is enough.0 of 0 people found the following review helpful. Easy-to-Use GuidebookBy bookwormsdelightI checked out several guidebooks from local libraries until I found the one I most wanted to use on my vacation in Washington, D.C. Frommer's Guidebook proved to be an invaluable resource while in the nation's capital, and it provided me with lots of insider information. For instance, did you know that you have to book far in advance to get into the Holocaust Museum? and Did you know that you have to be a party of ten to visit the White House? This was the guidebook I found most useful and it was easy to use.0 of 0 people found the following review helpful. Great SuggestionsBy anoblelifeI just got back from D.C. after using this guide. I constantly looked through this book for ideas/suggestions on where to go and what to do. Comments on the museums (open/close times, etc) was extremely helpful. However, I wish the book had more info on wheelchair accessibility for each museum. I would suggest to Frommers that a little wheelchair accessible icon be located somewhere at the beginning or end of each museum/restaurant that is mentioned.
