**Christine K. Bailey : Phoenix, Arizona: A Photographic Portrait** before purchasing it in order to gage whether or not it would be worth my time, and all praised Phoenix, Arizona: A Photographic Portrait:

0 of 0 people found the following review helpful. Five StarsBy Bjorn BostromGreat book with beautiful pictures from Phonix / Scottsdale.

Phoenix, Arizona is a melange of old and new, where glass and steel structures share the city blocks with 19th century homes and the futuristic looking light rail train passes through historic neighborhoods. It is set in the heart of the Sonoran Desert, surrounded by and interspersed with countless mountains and miles of desert landscape. Experience the diversity and breathtaking beauty of Phoenix as well as some of its most notable landmarks and points of pride through Paul Scharff s spectacular photography.

From the AuthorChristine K. Bailey isa published author and freelance travel writer who specializes in writing about the Southwest and her adopted home state of Arizona. Bailey is the author of the first edition and second full-color

edition of the travel guide Phoenix, Scottsdale, Sedona Central Arizona, (The Countryman Press, 2008 and 2011) and the iPhone travel application Sedona's Scenic Red Rocks (Sutro Media) and co-author of the travel app Phoenix for Fun (Sutro Media).
