**Robert Wallace, Gwynneth Wallace : Pilgrim's Progress: A Spiritual Guide for the Holy Land Traveler** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pilgrim's Progress: A Spiritual Guide for the Holy Land Traveler:

2 of 2 people found the following review helpful. Great pocket devotionalBy Sharon McClungThis is a great quick read devotional book on the Christian holy sites in Israel. I purchased several travel books but this one became my

favorite because although it does not offer extensive details, it gives a quick biblical/historical reference along with a devotional thought which helped my travels to stay focused as a spiritual pilgrimage. I read it before my visit to Israel, on the bus traveling from site to site, at night in my hotel room when I wrote in my journal and since returning home when I shared my experiences with others. 0 of 0 people found the following review helpful. Pilgrim's Progress By Serene Chan This book is a must if you are traveling through the Holy Land. We loved the historical explanations done simply and the prayer at the end. 0 of 0 people found the following review helpful. Five Stars By Linda Land-Smith Excellent

This book features one-page devotionals on all the major biblical sites in Israel, including Jerusalem, Capernaum, Bethlehem, and the Mount of Olives. Each devotional contains scripture references, a lyrical meditation on the locale, and a prayer that can be used at that site. An appendix provides several of the more popular psalms for devotional reading.

About the Author Robert Wallace has led tours, with his wife Gwynneth, to the Holy Land and followed in the steps of St. Paul to Turkey and Greece. After retiring from parish ministry and teaching homiletics, he represented the United Church of Canada on the Central Committee of the World Council of Churches, which involved much world travel. Gwynneth Wallace has led tours, with her husband, Robert, to the Holy Land and followed in the steps of St. Paul to Turkey and Greece. She has a background in health promotion and communications.
