Raymond Goodburn : Pilgrims Guide to Rome and Assisi before purchasing it in order to gage whether or not it would be worth my time, and all praised Pilgrims Guide to Rome and Assisi:

0 of 0 people found the following review helpful. Pilgrim's Guide to Rome and AssisiBy LittlewayThis book arrived quickly, nicely wrapped in bubblewrap/padded envelope. I've started reading it a little at a time. The book is thinner that I thought, but still packed with information, without a total overload.0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent

This book in the Pilgrim's Guide series includes thorough descriptions of all the pre-Christian and Christian eras, as well as dealing with the wealth of art and architecture that present-day tourists in Rome are able to enjoy. As well as

St. Francis and Assisi, the book also includes chapters on the Umbrian saints, and the festivals and fiestas of which Italy has such a fine selection. There are further sections on Loreto and San Giovanni Rotondo, together with brief descriptions of Venice, Florence, and the Amalfi coast.

ALA Midwinter (Combined Book Exhibit) About the Author An ordained Pastor, Ray Goodburn has worked as a teacher of religious education, and for the past 15 years has organised and led numerous pilgrimage groups in several countries.
