**James Condra : Pinpoint Guide to Atlanta: The March to the Sea Civil War Sites (Pinpoint Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pinpoint Guide to Atlanta:

## The March to the Sea Civil War Sites (Pinpoint Guides):

With individual guides that cover Civil War sites in specific areas, this series uses unique formatting to make the terrain of each regions' battles come to life. Each guide features a heavy-duty paper stock laminated for durability, with an area map on the back of the fully opened piece. When the piece is folded horizontally in half, pinpoint descriptions and photos of key sites fill each accordion-folded side.
