We reference it often for our YouTube videos.0 of 0 people found the following review helpful. Great Hikers Companion!By W. A. KnightThis book is exactly what the

title suggests -- a comprehensive list of names given to points of interest in the White Mtns of New Hampshire. No maps or pictures, just a brief description with some historical background for how places like "Monticello Lawn" or "Frankenstein Cliff" got their names. For hikers of these mountains, it's a great reference.

An expanded edition of the definitive guide to name origins in the White Mountains of New England.
